

SIFF Scholars Online
Online Lecture Faculty - Job Description

POSITION: Online Lecture Faculty (9th and 10th SSLC)

SUBJECT: Mathematics / Biology / Social Studies / English

EMPLOYMENT TYPE: Full time (part-time is open to consideration)

ABOUT THE PROGRAM

SIFF Scholars Online envisions a year-round online program providing an affordable one-stop learning solution for any student in Karnataka who is preparing for SSLC examination (10th grade board exam). The program will be run through a dedicated YouTube channel with content in both live and asynchronous forms. It aims to provide high quality academic learning founded on excellent teaching and pedagogy to students all across Karnataka, irrespective of their backgrounds.

The program plans to release high-quality bilingual (Kannada-plus-English) teaching content videos on YouTube covering the Karnataka SSLC syllabus systematically throughout the academic year. Additionally, there would be special classes for a community of interested students to help them prepare for their school and board exams in a comprehensive manner. Learning material complementing the videos and classes, such as notes and question banks, will also be provided to the students as required.

SKILL REQUIREMENTS

The Online Lecture Faculty would be a person who:

- Is fluent in both Kannada and English
- Has excellent command over the subject matter (up to 10th grade level)
- Enjoys teaching and is excited about being in front of the camera!

DUTIES AND RESPONSIBILITIES

1. Online Lectures:
 - Taking online lectures for the subject(s) in Kannada and English medium
 - Planning, scripting and executing video lessons in both synchronous and asynchronous formats
 - Designing and implementing strategies to make the content engaging and improving student retention
 - Engaging with students during live classes
2. Content Creation:
 - Creating learning content to supplement the video lessons such as notes, worksheets and question banks
 - Creating slides for the lessons

- Researching to create competitive and quality content
- Collaborating with the team on content strategy

ELIGIBILITY

Educational Qualification: Graduate in a related stream

Work Experience: Minimum 2 years of teaching experience; Secondary school teaching experience is preferred

OTHER DETAILS

Location: Bangalore (hybrid)

Compensation: 6-10 LPA, as per qualifications and experience

Expected Joining Date: April 1, 2023

To Apply: Email gaurav.chauhan@siff.in with a CV/resume detailing your experience and interest in the position as soon as possible.
